

Three Trustee Vacancies

Phoenix Futures is dedicated to helping individuals, families and communities recover from drug and alcohol problems.

Over the last fifty years we have grown from a single pioneering residential service to a national organisation with over 60 services across housing, community, prison and residential settings delivering abstinence based, abstinence oriented and harm reduction approaches.

We do not aspire to be the biggest provider of services in the drug and alcohol sector, but we constantly strive to be the **best**. Do you want to be part of our story?

We are looking to appoint three new trustees to join our Board.

- Two finance trustees to be part of the Audit and Control Committee and the Investment Committee,
- One HR trustee to be part of the People and Remuneration Committee.

We are looking for individuals who share our passion for recovery that in turn motivates people with substance misuse to realise their own recovery. We know families, friends and carers need hope, care and guidance just as much as their loved ones.

As a trustee you will, along with other Board members, have a key role in supporting the work of Phoenix in having overall responsibility for the direction, management, and control of Phoenix Futures through involvement with strategy formulation and monitoring, risk management and internal control.

All Board members are expected to attend all Board meetings (4 times a year), and committee meetings where they are a member, as well as the annual Strategy Review away day. Board meetings are usually held in London. It is an expectation that all Board members visit services throughout the year. There may be some overnight stays required to facilitate these visits.

Phoenix Futures does not remunerate Board members but out of pocket expenses are reimbursed.
